

LANGUAGE CENTRE

INTRODUCTION

Language Centre was established in early August 2007. This center plays a vital role in providing language skills in various disciplines related to Islam, in particular. Since its establishment, the Language Centre has been expanding and has begun offering International Islamic Language courses in addition to being responsible for teaching Malay, Arabic, and English.

VISION

Enhancing educators' proficiency in various languages to meet the needs of society and the country at both the national and international levels.

MISSION

Upholding the excellence of religious education through innovative and effective multilingual teaching.

OBJECTIVE

- To organise language courses.
- To conduct studies and academic research.
- To hold activities aimed at enhancing, strengthening, and revitalizing language skills.
- To publish teaching and learning materials.
- To establish collaboration with higher education institutions both locally and internationally related to the field of language.
- To collaborate in providing training services and courses both within and outside the university college.

PROGRAMME OFFERED

Language Centre offers five (5) programmes in the field of Arabic language, which are as follows:

1. Doctor of Philosophy in Religious Teaching (Arabic Language)
2. Master in Religious Teaching (Arabic Language)
3. Postgraduate Diploma in Religious Teaching (Teaching Arabic to Non-Arab Speakers)
4. Bachelor of Education in Religious Teaching (Arabic Language Education)
5. Higher National Diploma in Religious Teaching (Arabic Language Education)
